FROM THE PRINCIPAL

Our students have been working well, with English and Maths assessments being given out. In The Arts, we have been working on our ‘Space adventures’ with the students choosing a planet which may be habitable for people on earth. This week, we will go through another scenario which requires the students to assume their roles as space rangers and work cooperatively as a group. Technology has required the students to investigate different materials and apply this to the problem given. (Yr 1 – designing and making wrapping paper; Yr 3 – designing and making a boat and Year 5 – designing and making a percussion instrument).

It has been a normal week this week, although due to the wet weather, tennis will resume next Wednesday. On Thursday, weather permitting; we will be joining Warra’s biggest morning tea in the park. The students will need a gold coin donation. If you do not wish your child to participate in the short trip to the park, please let the school know as soon as possible.
