FROM THE PRINCIPAL
Below is our Science – Is Gas Matter? We were proving that gas was matter as matter has mass. If one balloon was let down slowly, the ‘see-saw’ would indicate the other balloon was heavier.

Students are learning about Materials and Matter and performing a few experiments along the way to reinforce concepts learnt.

For The Arts and Technology, students have been given the task to ‘research’ a selected family member and to gather photos of their life. Any assistance in this task would be appreciated as it will give these students more of an understanding of the family member.

In History, P – 2 students are learning about the past, examining a range of sources from the past including:
- photographs
- artefacts
- books
- oral histories
- digital media so if you have any objects at home which you are willing to share, we would like to set up a display, similar to last year.

Next week is NAPLAN, which for Warra will mean we will proceed as normal as we have no Year 3, 5 and 7 students. Students will still be receiving their Literacy and Numeracy coaching.

Judy Angel

TUCKSHOP/MOTHER’S DAY STALL
There will be a mother’s day stall in the tuckshop on Thursday. Gifts are $6.00. Tuckshop will be at Thursday lunchtime, with sausages on bread $2.00 and poppers $1.00.

STUDENT OF THE WEEK
Congratulations go to Emma Wright, who has been awarded Student of the Week. Congratulations also to the following children who have received awards.

School Rule awards:
- Respect for Yourself – Annabelle Taylor.
- Respect for Each Other – Hayden Taylor.

BOOK CLUB
Book club orders are due on the 12th of May. Please either write a cheque to Scholastic or fill in the credit card details, do not send cash.

P&C MEETING
A general meeting will be held on Thursday May 8th, (tomorrow) at 3.30pm. All are welcome. Code of Conduct and Asbestos training will be conducted at the meeting.

TENNIS
Tennis commenced today for the term and will continue each Wednesday for the 10 weeks. Cost is $7.00 per student per lesson, with the option to pay each week or in a lump sum.

CROSS COUNTRY
Our school cross country will be on Thursday, 8th May, (tomorrow) starting at 9.00am. The event should be finished by 10.00am/10.30am, in time for an early morning tea. All students will be expected to compete on the day, but only 10 years and above will be nominated to attend the District Cross Country, if
the qualifying times are met. District Cross Country is on the 22nd of May at Chinchilla. If your child is interested in attending District level please encourage them to train regularly.

10 yrs - 2 km
11/12/13 yrs - 3 km

There has been a slight change to the course, with the students now running to the left of the transpiration pit.

Prep and Year 1 will run once around the oval (500m).

Year 2 will run twice around the oval (1km)

Year 4 will start off around the oval, then run through the Robinson St gate, run around the front of the school on the footpath, down to the far gate, then around the oval twice.

Year 6 will also start off around the oval, run through the Robinson St gate, run up Robinson St to the Warra Memorial Hall, run around the hall and back to the school. They will run through the far gate and around the oval twice.

The order of events:

Race 1  Year 6
Race 2  Year 4
Race 3  Year 2
Race 4  PREP/Year 1

If it is raining tomorrow, the cross country will be postponed until the first fine day.

We do need a few helpers to position themselves outside the school for when the older children are running, so if you are able to help, it would be appreciated.

OUT AND ABOUT APP ON ANDROID

The department’s most popular app, ‘Out and About’ is now available for Android devices as well as Apple. Aimed at students in Prep to Year 2 and written in Q Beginners font, this free app helps students master the first 100 sight words to which they are typically introduced.
