FROM THE PRINCIPAL
We held our cross country last week and all students did very well! (plus we had some littlies compete – who also did well running the full 500m)

District Cross Country is at Chinchilla on the 22nd May. Good luck to those attending!
Due to the cold weather and upcoming flu season, if your child is sick, please keep them home. This will prevent the spread and, as there is a short supply of replacements for staff, a more productive environment for the children.

ENROL FOR PREP 2015

PREP ENROLMENTS

Warra State School is now taking enrolments for Prep 2015. If your child turns 5 by June 30th, 2015, they are eligible to commence Prep next year. If your child is born between 1st July 2009 and 30th June 2010, please drop into our office to collect an enrolment pack. Also, please contact the school for an interview time. Enrolment forms need to be completed and given to the school plus the interview needs to be conducted BEFORE your child can commence Prep.

For the next 2 terms (Term 3 and 4), a Pre-prep program will be operating for those students who are enrolled for 2015, one/two days a week. A day/s has yet to be decided. More information will be in later newsletters.

STAYING SAFE AROUND BATS

Children need to be aware that bats, including flying foxes, are protected species and pose minimal risk to humans provided they are left alone and not touched. However, children should not try to hurt or help sick or injured bats as they are putting themselves and the animal at risk. If you see a bat or flying fox that is hurt call:

- RSPCA—1300 ANIMAL (1300 264 625)
- Department of Environment and Heritage Protection—1300 130 372
- your local wildlife care group/rescuer/carer for assistance.

If a child is bitten or scratched by any bat, they should tell their parents, teacher or responsible adult straight away, wash the wound thoroughly with soap and water and visit their local doctor immediately.
