FROM THE PRINCIPAL

Thanks to all the donations of PET bottles. Unfortunately, we didn't have time to do the composting activity but I am sure we will be able to use them throughout the year.

We had two visitors yesterday. The first visitor was Melinda Wells who went through some songs with the students, in the event they may be going to the Jandowae Timber Festival.

Our second visitor was from Envirocom, on behalf of Western Downs Regional Council, as part of the Waste Education program. ‘Think Before You Bin It’ was a very interesting and interactive talk on recycling and which materials need to go into the green or yellow lid bins.

Attached to the newsletter is a notice from the Department of Transport and Main Roads. There will be roadworks commencing in Warra, Brigalow and Macalister, around the 23rd June and continuing until December.

There are only 3 more weeks to go of school, so it is important that students are completing their work at school and at home by themselves, with only a little help when needed from others. Students are asked to explain how they did their homework on occasion (checking for understanding) and sometimes there are discrepancies with work done and knowledge at school.

At the end of term, the students usually receive a reward for all the work they have done and their excellent behaviour. This term, students need to work towards participating in a trip to the Empire Theatre to view ‘13 Storey Treehouse’.

Please remember that this Monday (9th June) is the Queen’s Birthday holiday, so there is no school on this day and it resumes on Tuesday, 10th June.

As the Principal and the teacher at Warra, please make sure that any concerns are raised with me. Other staff are not in a position to deal with concerns.
