FROM THE PRINCIPAL

We are winding up our programs for the semester, with testing and assignment work occurring for the next few weeks. Due to having some interruptions and short weeks; to enable students to get work done in time, reports will be issued on Thursday of the last week. (26th June) and interviews will be held in the first week back of school. If you wish to have an interview anyway, please contact me for a time and day. Please be aware I am not available at the last minute for interviews, as I do have other responsibilities as Principal to attend to.

Thank you to all who volunteered their time on Saturday. We raised $350 for the P&C.

Next term (10 weeks) we will cover:
- English – working with stories and informative texts; wrapping up the term with Poetry.
- Maths – again working through the different strands of maths throughout the term.
- Science – Earth and Space.
- HPE – Athletics; and possibly Zumba although ActivatEd have again rung and said that they cannot get any presenters.
- The Arts – Dance – learning some ‘old time’ dances. If there are any grandparents or parents who are willing to show the students how to dance, please contact the school so we can arrange times and days.
- Geography – People and places.

Today we had a very quick visit from the USQ/Budget Positive Choice (Kisha) talking about making positive choices in life – choosing sport instead of staying inside or other choices. Kisha gave a very quick talk and a simple basketball lesson.

Next Tuesday we have an invitation from Brigalow to join in with an athletics training day. The little Athletics Coach will be there and this will be a great opportunity to brush up on skills needed for the carnival after the holidays. Mrs Hauff and myself will be able to carry 8 students, we would need 1 more parent to volunteer to drive over. Please let me know if you are able to help.

Judy Angel

SHOW AND SHARE

Last week, Ashley and Annabelle shared with us some items which were special to them. Ashley had a ‘special’ box with lots of things in it which she considered special. Annabelle shared some of her jewellery (mainly bracelets) and the memories associated with them. This week’s Show and Share students are Michael and Cody.

P&C

The next general meeting will be held on Thursday 12th June at 3.30pm. All are welcome.

SCHOOL TENNIS

Cost is $7.00 per student per lesson, with the option to pay each week or in a lump sum. Tennis will continue for the following semester. (20 weeks)

ENROL FOR PREP 2015

PREP ENROLMENTS

Warra State School is now taking enrolments for Prep 2015. If your child turns 5 by June 30th, 2015, they are eligible to commence Prep next year. If your child is born between 1st July 2009 and 30th June 2010, please drop into our office to collect an enrolment pack. Also, please contact the school for an interview time. Enrolment forms need to be completed and given to the school plus the interview needs to be conducted BEFORE your child can commence Prep.

DETE’S TOP 10 SECURITY TIPS FOR STUDENTS

- Never share your passwords (https://isecurity.eq.edu.au/Students/Passwords/Pages/Passwords.aspx) with anyone or put them in a place where they could be found. See how good your current passwords are using the password strength meter (https://isecurity.eq.edu.au/password-strength-meter/Pages/Password-strength-meter.aspx).
- Be careful about how much information you share (https://isecurity.eq.edu.au/Students/phishing-and-online-fraud/Pages/Phishing-and-online-fraud.aspx) and with whom. If it sounds too good to be true, it probably is.
- Review your social networking (https://isecurity.eq.edu.au/Students/social-networking/Pages/Social-networking.aspx) site settings regularly so you can control who views your profile and what you post online. Try and keep your
posts as positive as possible, and don't forget that whatever you post online is there forever!

- When you step away from a laptop or mobile device (https://isecurity.eq.edu.au/Students/mobile-devices/Pages/Mobile-devices.aspx) make sure you lock it or take it with you.

- To avoid losing your important documents and files, regularly back up your computer and/or mobile devices on a mobile storage device.

- Protect your portable storage devices and the information they contain by keeping it in a safe place at all times.

- Be cautious about what personal devices you connect to your school's Wi-Fi and ensure your antivirus software is up-to-date.

- Make sure you have your parent/caregivers permission to use a new website or app.

- If you ever find yourself in an uncomfortable online situation, make sure you tell your teacher and/or a trusted adult.

**THE CODE OF SCHOOL BEHAVIOUR**

All involved with state schools have a Code of Behaviour/Code of Conduct we need to follow.

The state wide Code of School Behaviour states that:

**All members of school communities are expected to:**

* Conduct themselves in a lawful, ethical, safe and responsible matter that recognises and respects the rights of others.

This applies to the **school** environment. The school will not be or get involved in disputes outside of the school. This also means that disputes brought into the school **will not be tolerated**.

Any school issues will be brought up with the relevant parties and contact will be made by me as the teacher/Principal. If I want to see someone or have an interview, I will contact the person myself. I do not rely on a third party to tell people I want to see them.

I have included the Code of School Behaviour at the end of the newsletter.
