FROM THE PRINCIPAL
This term will include the following curriculum and activities:

Maths: A 10 week unit – covering the maths strands of number, patterns and algebra, fractions and decimals, time and location and transformations.

English will cover stories, traditional stories and historical literary texts, plus some poetry.

Science: Weather, Earth and Space.

The Arts (Dance) will encompass old time ballroom dancing. Technology will be incorporated into our other units this term.

We have our Small Schools Sports Day at Chinchilla SHS on the 23rd July. As it is early this year, we do not have enough time to have our own little carnival, but we have been training for events since late last term.

SCHOOL OPINION SURVEYS
The School Opinion Surveys (Parent/Caregiver, Student, Staff and Principal Surveys) will occur in the week beginning 21st July 2014. The surveys this year are to be completed online. As parents, you will receive an invitation letter with the web address and instructions on how to complete the survey.

We ask that you complete the surveys by the 3rd August.

Each year, Education Queensland undertakes a survey of parents/caregivers, students and staff to gauge their satisfaction with important aspects of schooling. You have been selected to participate in this survey, and I hope you will take a few minutes to complete the questionnaire online.

Later in the year, the school will receive a report outlining the results of the survey for our school. The results will help the school to evaluate and to reflect on how well the school is going, and to identify areas for future development. The survey results are also an important part of the school’s annual report. For these reasons, I hope you will complete the questionnaire and help make the school a better place for your child(ren).

Your response is completely confidential.
