FROM THE PRINCIPAL
Hayden and Annabelle competed in the Jandowae Athletics carnival on Friday, but did not gain a place in the Chinchilla team. Well done for having a go!

We are working through our Responsible Behaviour Plan during the week, with different activities completed each week. Students have been working with the stop lights system (Green – I am doing my best and following school rules, Yellow – needs to try harder and Red – I have not followed the rules). Students are now doing their goals for the term, and as part of this are reviewing the behaviour chart. They choose goals for the term, and also choose their behaviour goal for the week. If they received yellow or red during the last week, then they need to pick a behaviour they need to improve at.

All of the students are working hard at receiving all green to be able to participate in the reward at the end of term. (a sleepover, pizza and dance on Thursday 18\textsuperscript{th} and a trip to the movies on Friday, 19\textsuperscript{th} – this includes lunch) A letter will go home with details of this closer to the end of term.

With the curriculum, the English unit is coming to a close this week, with assessments due on Thursday. Next English unit is on Poetry. I am looking forward to discovering some hidden poets in our midst.

All of the other curriculum areas are taught over the term and an overview was sent home with last week’s progress report.
