FROM THE PRINCIPAL

We are now up to Week 7 of the term. The time really flies!

We will be testing and assessing now until the end of the term. Please ensure your student is present each day as it is very difficult to catch up missed assessment.

From now until the last week of school, students will be also working towards their rewards trip. This will occur either at the end of the second last week or during the last week of school. This relies on students following our school rules and their behaviour from now until the trip.

I have reviewed our cooking on a Friday, and will implement some different recipes instead of going over the same recipes as earlier. This Friday is packet vanilla cake (cooking) and packet Chocolate Mousse (non cooking).

All of us had a fantastic school camp last week, all the students were very well behaved and had a go at everything. Some of us didn’t want to come home! I have included some photos below.
