FROM THE PRINCIPAL
The students have completed some assessment and it is great to see the improvement most have made! Well done. These will go home with the progress reports at the end of this week.

Testing will continue this week and next week, with assessments for the curriculum being completed by the end of this week.

There is only 2 more weeks after this week, the time is really going fast! Reports will be out in the last week of school and interviews can be arranged from the Monday – Wednesday, if required.

The students have completed three swimming lessons this term. We will continue these through to the last week of school. They are not only learning to swim and stroke correction but also many water safety techniques.

Practice is underway to fine tune our play in preparation for the end of year concert. Students will need to organise costumes for their parts, preferably from clothes they have at home. This will be in conjunction with the Community Christmas Party. This will be on Thursday, 11 December, starting at 6.00pm with a sausage sizzle.

The newspaper edition of the articles we wrote is now out. There are some on sale, but we should receive our copies soon.

Regards
Judy Angel
