FROM THE PRINCIPAL
The first day back at school went well. All students were eager to learn!

This term, we will be completing English units similar to last year (narrative stories and persuasive texts). Maths will be a 10 week unit, with Mrs Anderson again teaching the Measurement strand.

Geography will be alternated with History this year, with aspects of SOSE incorporated into each area.

Science is working with Biology and Living Things, The Arts focuses on Visual aspects, with Digital Photography being taught this term. If students have their own digital cameras at home, they are welcome to bring them as part of the unit and Technology will be focussing on computer skills and programs to use.

I have attached a term overview for parents to this newsletter.

Our timetable is the same as last year, and a copy is attached.

This year, Mrs Anderson and myself are working on Individual Improvement Plans for each student. These plans will address the areas your children need help in and provide support and strategies to improve these areas.

Regards
Judy Angel

TENNIS
Tennis lessons are on Wednesdays. Parent contribution will remain at $7.00 per lesson, with the school paying the remainder. This term the total parent cost will be $70 per student. This is optional, of course, but this is one of the few charges the school does pass onto the parents. Options are to pay in full or week by week.

HOMEWORK
Homework will commence next week.

SWIMMING
Swimming is yet to be organised, with lessons to be on a Monday, later in the term.

STUDENT OF THE WEEK
Student of the week will commence next week. There will not be a parade this Friday.
