FROM THE PRINCIPAL
On Thursday 17 September, we all went on our rewards trip to Toowoomba Sunset Bowl, which was enjoyed by all.

On the last day, students, parents and staff attended Under 8s day at Our Lady of the Southern Cross College. It was a fantastic day with so many great activities and things to participate in. Some photos are included in the newsletter.

It is great to see all students arrive at school safe and sound.

All students and staff are refreshed after the holidays and looking forward to completing the year with a commitment to a strong work ethic and great enthusiasm.

We are looking forward to the last term, although this one is usually the busiest.

This term over the 10 weeks, we will be covering the following in each subject area.

English – Poetry and Persuasive writing
Maths – again working through the different strands of maths throughout the term.
Science – Physics – involving forces, motion and machines.
HPE – Group games and Swimming (commencing 10 November)
Technology/Arts – Gardening and drama
History – Comparing past and present; exploring change and development and looking at significant events.

I will be away Monday and Tuesday next week, with Mrs Anderson filling in. Also, Miss Rendall returns on Monday 12 October for 4 weeks for her final prac.

School photos are on Thursday, 15 October. We are unsure of the time as they are taking photos at other schools on that day. Please return envelopes and money by that day if you are wanting to purchase photos. These were sent home last term.

Mrs Morgan retires on the 16 October. We are required to advertise for the position of cleaner. An application package is attached to this newsletter.

Camp is still being organised, relying on the camp venue getting back to the school.

Regards

Judy Angel
