FROM THE PRINCIPAL

Check out our articles in the newspapers. I hope to have an article in about our great school every couple of weeks. We are now in the last half of the term, with assessments being due every week from now on. Maths will commence Unit 8 next week and this will be the last unit for the year. We are working hard on our persuasive texts for English. In Science, all our activities are to do with types of Forces – Year 7 looked at air resistance and solar power, Year 4 – games using force and Prep – 2 experimented with musical sounds on Monday. For Year of the Farmer, students completed decorating some templates of cows and they are located in the park. Below is a photo.

Next week is the students’ dance performances. Unfortunately, I won’t be here as I have to attend a Principal’s meeting at Monogorilby but I am sure they will do very well. More information is below.
