Under the agreement for 2015
Warra State School will receive

$5,000*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Facilitate every student accessing a different year level curriculum (that is, with an individual improvement plan) to achieve a 'C' standard or better against the relevant year-level achievement standard
- Increase the percentage of Prep/1 students able to read and comprehend short, predictable texts and compose and record short, meaningful sentences from 50% to 75%

Our strategy will be to

- Provide focused and intensive teaching/coaching for students to demonstrate achievement against the year-level achievement standards and internal testing
- Provide a CD of reading strategies to parents
- Increase teachers' repertoire of effective strategies for teaching text processing and comprehension across learning areas

Our school will improve student outcomes by

- Employ an experienced teacher to take on a coaching role with students (Prep – 3) to work closely with them in identified areas of improvement (on Individual Improvement Plan) $3600
- Purchase of technology, digital resources or services (reading coach to Provide CD regarding strategies; testing resources) $400.00
- Purchase additional teacher aide time to assist Prep with literacy and numeracy $1000.00
