Snapshot report

Under the Investing for Success Agreement for 2016
Warra State School received $5,000

Our full 2016 agreement can be found at: Investing for Success 2016

Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:
- Provision of focused and intensive teaching/coaching for students to demonstrate achievement against the year-level achievement standards and internal testing
  - Employment of an experienced teacher to take on a coaching role with students (Prep – 4) to work closely with them in identified areas of improvement (on Individual Improvement Plan) was undertaken during Term 1, 2 and 4.
- Accessing support persons/materials to increase strategies utilised to achieve an increase in standards
  - Resources were purchased to assist increase proficiency
  - Teacher aide time was purchased to assist in literacy and numeracy

Strategies implemented included:
* Provision of focused and intensive teaching/coaching for students
  - 75% of students on target to achieve a ‘C’ standard or better in achievement standards
  - 100% of prep/Yr 1 students are able to read and comprehend short text and compose short sentences.
* Provision of teacher aide time
  - Extra time allocated for literacy and numeracy
* Resources sourced and purchased
  - Purchase of resources to assist students with difficulty
